HARDWOOD

Wallingford Birch, a new hardwood offering from Mohawk, features hand crafted character in trending hues for rustic elegance to complement almost any style.

The scraped birch planks are distressed with chatter marks for an aged appeal, and the vintage look is further enhanced with hand scraped bevels. Trending colorways include three golden browns in a matte finish to coordinate easily with today's interiors.

Wallingford Birch includes premium Crystal Shield Aluminum Oxide protection for superior durability and ease of maintenance. The collection is backed by a 25-year finish warranty.
