

BOARDWALK COLLECTIVE

REVWOOD

Relax, unwind and let Mohawk's Boardwalk Collective transport you to your favorite seaside destination with serene, driftwood inspired selections. The sunbleached palette of grays, light beiges and browns deliver the cool, calm colors designers and homeowners love, and a slight cerused effect adds sophistication for elevated style.

Capture incredible hardwood realism with Boardwalk Collective's lightly wire brushed oak visuals, including EIR texture and a matte finish. The assortment is available in 7½" x 47¼" x 12 MM planks with beveled edges and ends. Made in the USA, Boardwalk Collective features UniClic™ technology, the industry's leading glueless locking system for quick and easy installation, above or below grade. The state-of-the-art locking system also helps prevent water damage and warping, and the Limited Lifetime Residential Warranty guarantees that once installed, these beautiful new floors will remain beautiful.
